EXPERT PANEL: Our panel includes a team of qualified chartered accountants associated to our firm. We have post graduates of commerce, inter chartered accountants as employees who possess more than five years of experience in accounting and finalization. We also have experienced manpower having experience of working with Account Outsourcing Firm in India.

COST EFFECTIVENESS: You can get quality work done at less than half of the rate you will pay to an expert in Canada. Moreover, you don't need to bother about paid vacations, CPP and EI sought of statutory requirements. You can reduce your overheads substantially by outsourcing your work as you don't need to invest on space, hydro and other routine expenses.

CONFIDENTIALITY: Data security is the major concern while working on offshore data. We are having fully secured IT environment where employees have restricted access of the information they are working on. Moreover, we ensure that whichever files are transferred in our computer during the course of performing work, get deleted immediately after finishing the tasks. We also sign formal NDA with our clients and other related stakeholders.

BUSINESS PROPOSALS

HOURLY RATE

We can provide our services on hourly basis from job to job basis. We can fix up the hourly rate of the employees. Accordingly, for every job, the number of hours required to complete the job will be estimated & the billing will be done on that basis.

FIXED PRICE

We can hire fixed employees as per the requirements of clients for their working only. Our role in such case would be to provide suitable infrastructure, proper training, supervision and guidance as and when needed.

ASSIGNMENT BASED

We can also work on assignment to assignment basis whereby we would quote a fixed amount for any assignment given by you and can work accordingly on the particular assignment.
